BABY GREENS

Apple Blossom Swiss Chard Blend

Beta vulgaris

Impressive flavor and color of Swiss chard in small, delicate baby greens. Mixed leaf and stem colors bring beauty and flavor to the table.

Heirloom • 30–35 days

#7623 Organic Large \$3.99 12g (~865 seeds)

Arugula

Eruca sativa

This one's for arugula lovers! Full of vitamins and antioxidants, it's a great source of calcium and iron. Top pizza, add to sandwiches, or make a peppery pesto.

Heirloom • 15–20 days

#7622 Organic Large \$3.99 3g (~1,205 seeds)

Market Day Lettuce Mesclun

Lactuca sativa

Just like you'd find at the farmer's market! Vibrant greens with hints of burgundy, this mild-flavored mix makes the perfect bistro salad.

20–25 days

#7624 Organic Large \$4.59
6g (~3,120 seeds)

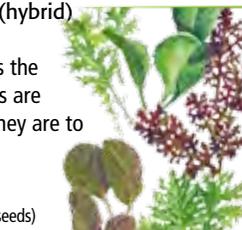

Must Have Mustards (hybrid)

Brassica, assorted species

This custom blend truly "cuts the mustard"! These baby greens are as interesting to look at as they are to taste. Very nutritious.

25–30 days

#7320 Large \$3.99 6g (~2,400 seeds)

Peas for Shoots

Pisum sativum

Exceptionally tender shoots impart the sweet taste of fresh peas into many fresh and cooked dishes. Excellent for juicing and added to smoothies.

Heirloom • 10–20 days

#7627 Organic Large \$3.29
50g (~280 seeds)

Red Russian Kale

Brassica oleracea

Tons of nutrition and flavor packed into petite leaves! More tender than full-sized leaves, kale baby greens are best enjoyed raw.

Heirloom • 25–30 days

#7626 Organic Large \$3.99
6g (~1,150 seeds)

Smoothie Mix

Assorted species

Make a healthful smoothie even better! Add this perfect mix of nutrient-packed, antioxidant powerhouses to your smoothies for a great boost of energy!

25–35 days

#7323 Large \$3.99 15g (~2,400 seeds)

Snappy Fresh Mesclun

Lactuca sativa, Eruca sativa

Fresh and crisp custom mix adds a "snap" of flavor to salad mixes! Mild and spicy flavors are ready to harvest in just 3 weeks.

20–25 days

#7625 Organic Large \$4.59
6g (~3,120 seeds)

Spinach

Spinacea oleracea

Perfect spinach flavor! Delicious in a warm spinach salad dressed with sweet and sour dijon dressing. Try the baby leaves in smoothies and green drinks, too!

25–30 days

#7321 Large \$4.59 10g (~465 seeds)

Superfoods

Brassica, assorted species

Superfood for a super you! A beautiful blend of healthful veggie greens from the Brassica family. High in glucosinolates, vitamins, and fiber, yet low in calories.

23–35 days

#7324 Large \$3.99 12g (~2,880 seeds)

MICROGREENS

Mellow Blend

Brassica, assorted species

This mix gives a delicate flavor boost to all types of cuisine. A beautiful bed of soft, petite greens will dress up any main dish, sandwich, or salad.

10–15 days

#7621 Organic Large \$4.59
16g (~3,200 seeds)

Ciao Bella Basil Blend

Ocimum basilicum

Hello, beautiful! As the name suggests, this basil blend has attractive purple and green leaves. Add basil's signature flavor to pasta dishes, pizza, and caprese salads.

16–25 days

#7754 Organic Large \$3.99 6g (~4,800 seeds)

Cilantro

Coriandrum sativum
Delicately frilled with big, bold, fresh flavor to liven up soups, tacos, pesto, smoothies, and the list goes on. More intense flavor than the mature plant!
14–21 days

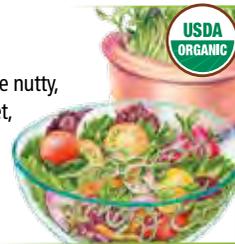

#7820 Organic Large \$3.99 20g (~1,232 seeds)

Sunflower

Helianthus annuus
Tickle your taste buds with these nutty, crunchy microgreens! A gourmet, protein-packed treat full of iron and calcium.

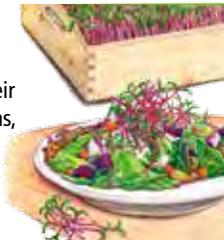

Heirloom • 5–12 days
#7628 Organic Large \$3.29
40g (~512 seeds)

Early Wonder Beet

Beta vulgaris
The magenta stem is unmistakable! Beautiful on their own or mixed with other greens, beet microgreens add an intense beet flavor to warm or cold dishes.

Heirloom • 15–25 days
#7325 Large \$3.29 20g (~1,760 seeds)

Umami Asian Blend

Brassica, assorted species
Experience the “fifth taste”—savory umami. A zesty mix of nutritious mustards and cabbages create layers of flavor to complement a multitude of Asian dishes.

10–15 days
#7620 Organic Large \$4.59 10g (~2,000 seeds)

Italian Amaro Blend

Cichorium endivia, Cichorium intybus
Go Italian with chicory! Like salt on chocolate, a balsamic dressing or soy sauce will enhance the flavor of these lively Italian greens.

15–25 days
#7319 Large \$3.29 6g (~2,880 seeds)

Upland Cress

Barbarea verna
The peppery, refreshing flavor of cress microgreens adds zing to a cream cheese and crackers snack! Perk up your mornings by adding their zesty flavor to your omelets! Easy to grow on your kitchen windowsill.

14–28 days
#7315 Large \$3.29 10g (~4,800 seeds)

Jazzy Mix NEW

Brassica, assorted species
Spicy flavors to excite your palate! Easily grow the tastiest trend in upscale restaurants right at home.

12–14 days
#7327 Large \$3.99
24g (~9,216 seeds)

Mild Mix NEW

Beta and Brassica assorted species
Vegetable confetti! A healthful gourmet treat you can easily grow at home with crisp texture and delightful flavor.

5–10 days
#7326 Large \$3.99 24g (~5,040 seeds)

Kitchen Garden Kit

Growing microgreens isn't just practical, it's also fun! Our microgreens and baby greens growing set includes a reusable liner with media and growing tray, and a domed lid to ensure high humidity. Speedy germination and harvest will keep customers returning for more seed year-round.
#4741 (case of 4) MSRP \$29.99 each

SPROUTING SEEDS

Adzuki Bean

Vigna angularis
Strengthen your body with this versatile, high-protein superfood. Healthful and delicious, its nutty flavor and crunchy texture give meals a makeover.

#7814 Organic Large \$3.99
60g (~384 seeds)

Alfalfa

Medicago sativa
Nutritious, delicious, and easy to grow! Nutty flavor and crisp texture. High in nutrients and low in calories.

#7801 Organic Large \$3.99
30g (~12,672 seeds)

Bean Mix

Vigna angularis, Vigna radiata, Lens culinaris
A tasty, colorful trio of adzuki beans, mung beans, and lentils provides a mild flavor and pleasant crunch that will jazz up salads and other dishes.

#7812 Organic Large \$3.29
60g (~720 seeds)

Broccoli

Brassica oleracea

A powerhouse of vitamins, minerals, and antioxidants. Spicy flavor and delightful crunch.

#7802 Organic Large \$4.59
20g (~4,880 seeds)

Fenugreek

Trigonella foenum-graecum

Fenugreek sprouts with their nutty, maple syrup aroma adds an exotic flavor to salads, sandwiches, and Indian cuisine. One of the oldest cultivated plants.

#7805 Organic Large \$3.99
20g (~1,280 seeds)

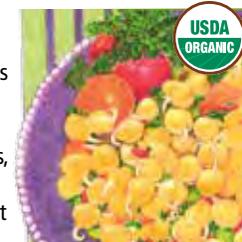

Garbanzo Bean

Cicer arietinum

The crunchy, nutty, little gems are high in fiber, protein, vitamins, and minerals. Their myriad uses in salads, breads, pastas, soups, and dips will guarantee them a permanent place in your kitchen.

#7809 Organic Large \$3.99 50g (~120 seeds)

Lentil

Lens culinaris

Lentil sprouts have traveled the world and delighted palates on six continents. Packed with protein and satisfying flavor, they will enliven any dish, from simple to exotic.

#7810 Organic Large \$3.29
60g (~1,200 seeds)

Mung Bean

Vigna radiata

Crisp, tender texture and slightly sweet, mild flavor similar to fresh garden peas.

#7800 Organic Large \$3.99
60g (~576 seeds)

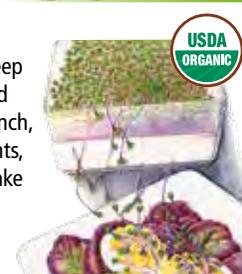

Purple Kohlrabi

Brassica oleracea

Wow, what vibrant color! Deep purple and green sprouts add fabulous eye appeal and crunch, and an abundance of nutrients, vitamins, and minerals to make your sandwiches and salads special! All the flavor of the kohlrabi stem, but milder in these little sprouts.

#7818 Organic Large \$3.99 10g (~1,840 seeds)

Radish China Rose

Raphanus sativus

Pretty purplish rose-colored sprouts provide a zesty flavor to enliven any dish.

#7804 Organic Large \$4.99
30g (~1,920 seeds)

Red Clover

Trifolium pratense

Crisp and crunchy, clover sprouts provide essential nutrients, including many vitamins, minerals, and antioxidants. Similar flavor to alfalfa, but red clover more easily sheds its hulls.

#7819 Organic Large \$3.99
30g (~4,488 seeds)

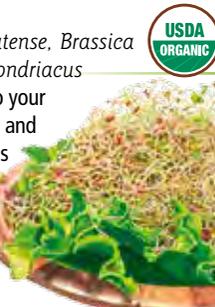

Salad Mix

Medicago sativa, Trifolium pratense, Brassica oleracea, Amaranthus hypochondriacus

Add a spark of flavor and color to your salads! Our custom mix of alfalfa and clover combine with the tanginess of broccoli and kale for a full flavor experience, while the burgundy amaranth provides a pop of color.

#7813 Organic Large \$4.99
30g (~4,920 seeds)

Sandwich Mix

Medicago sativa, Trifolium pratense, Raphanus sativus
Special mix for fabulous sandwiches! Sweet flavor of alfalfa, red clover, and zesty, piquant daikon radish.

#7803 Organic Large \$4.99
40g (~9,120 seeds)

WHEATGRASS

Liquid Sunshine

Triticum aestivum

Need a nutritious mood-lifting boost? Try a shot of "liquid sunshine!"

Wheatgrass juice provides a healthy dose of chlorophyll and protein, as well as essential vitamins and minerals.

10-15 days

#3037 Organic \$1.99 15g (~384 seeds)

#7602 Organic Large \$3.29 50g (~1,280 seeds)

Seed Sprouter

Grow up to four varieties of our healthful, delicious sprouts at once or start a new batch every few days. For a bigger batch, the unique tray dividers are removable. Great for storing your sprouts in the refrigerator.

#4701 (case of 6)

MSRP \$24.95 each

AMARANTH

Amaranthus tricolor

Frost sensitive

Edible Red Leaf

A nutritious, heat-loving summer green. Eat fresh in salads, or steam like spinach. Showy enough for flower beds.

H • 40–63 days

#0146 \$1.89 500mg (~800 seeds)

ARTICHOKE

Cynara scolymus

Frost tolerant

Green Globe Improved

You really can grow your own delicious artichokes in any climate.

Large, silvery leaves make it beautifully ornamental, too.

150–180 days

#0267 \$1.99 18 seeds

Green Globe Improved & Purple of Romagna

Two delicious varieties, a short season and an Italian heirloom, great as cut flowers, too! Start indoors for success in any climate!

150–240 days

#0193 \$1.99 18 seeds

ARUGULA

Eruca vesicaria

Frost tolerant

Rocket Salad, Roquette

Add arugula to spice up any salad or indulge in a salad of only arugula. Delicious! Recipes inside packet.

H • 30–45 days

#0079 Conventional \$1.79
1g (~402 seeds)

#3041 Organic \$1.99 1g (~402 seeds)

#1317 \$2.29 750mg (~60 seeds)

California Giants

Large, 4"-6" flowers in an almost limitless range of colors last a long time on the plant and in a vase.

H • A ☼ 2'-4' tall

#1047 \$1.89 1.5g (~120 seeds)

Cut and Come Again

The more you cut, the more they bloom! Attracts butterflies in search of sweet summer nectar.

H • A ☼ 1½'-2½' tall

#1196 \$1.89 1g (~80 seeds)

Envy

A rare flower color, the chartreuse blossoms are beautiful in cut-flower arrangements.

H • A ☼ 2'-3' tall

#1102 \$1.89 750mg (~60 seeds)

Fireball Blend

Dazzling, large, red and orange blossoms make fabulous, long-lasting cut flowers and pollinator landing pads.

A ☼ 2'-3' tall

#1284 \$1.89 1g (~80 seeds)

Northern Lights Blend

A visual feast of color in fresh shades of pink, purple, and burgundy. Beautiful in arrangements and bouquets.

A ☼ 2'-3' tall

#1293 \$1.89 1g (~80 seeds)

Peppermint Stick

Striped and speckled long-lasting blooms of striking beauty are as tantalizing as candy. A gardener's dream and a butterfly's breakfast!

A ☼ 2'-3' tall

#1187 \$1.99 600mg (~48 seeds)

Persian Carpet

Zinnia haageana

Warm, festive colors on shorter plants. Also called Mexican zinnia. Very heat and drought tolerant once established.

H • A ☼ 12"-16" tall

#1193 \$1.89 300mg (~180 seeds)

Solar Flare Blend

Bursts of yellow, orange, and white light up the garden with the heat of the summer sun. Long-lasting blooms are great for cutting.

H • A ☼ 2½'-3½' tall

#1292 \$1.89 1g (~80 seeds)

Thumbelina

Button blooms on short plants are perfect for the front of the flowerbed, containers, and window boxes.

H • A ☼ 10"-16" tall

#1048 Conventional \$1.89

1g (~170 seeds)

#2040 Organic \$2.69

400mg (~86 seeds)
