PLEASE READ CAREFULLY:

Jack's Country Store is open seven days a week and closes on Thanksgiving and Christmas. Holiday periods and summer are our busiest times. We attempt to provide stable employment for as many people as possible through the slower periods and expect that employees will reciprocate by not needing time off when we expect to be busy. Vacation times are available after September 15th and before May 15th. Is this acceptable to you? _____

Below is a chart for you to identify your availability and preferences for hours. AS we find it necessary to modify schedules from time to time, we need a commitment from you for days and hours.

Please consider your responses carefully as we consider this to be an agreement to report for work if we need you.

In each blank space, please indicate that the time period is "preferred" by you or that you are "not available". If you leave the space blank, we will assume that you would be available but that the shift would not be ideal for you.
